INVESTING & SPONSORSHIPS

you can support the valuable
programs and services that make a difference in our
communities

The success of Community Links is attributed to the combination of qualified and caring staff, remarkable community and the financial support of our generous investors.

The valuable programs and services provided by Community Links continue to help make a difference for individuals, children, youth and families. We are asking for ongoing community support in reaching our vision of making the North Rocky View Region a home for *Strong Individuals Strong Families Strong Communities*.

With your help, we can build on the strengths and possibilities for our community.
